Administration

VINCENT McGEE
SUPERINTENDENT OF SCHOOLS

Mr. McGee is in favor of the youth of our community. He feels that C.H.S. and its students can and will succeed, given the time, opportunity, and motivation. We are grateful to such a man who realizes the value and potential of the young and the restless.

ROBERT BARBARISI
ASSISTANT SUPERINTENDENT
OF SCHOOLS

Mr. Barbarisi is an experienced and dedicated administrator. Mr. Barbarisi's goal is to coordinate all Chelsea schools.

MARY SULLIVAN
ASSISTANT ADMINISTRATOR

They say that behind every great man there is a great woman, and Superintendent McGee is no exception. Mrs. Sullivan has played a vital role in the smooth transition of Chelsea's School Administration.

VINCENT J. FRANCO

Mr. Franco is optimistic about the success of C.H.S.'s new curriculum. He feels that the students are its greatest assets and he has been very pleased with the class of '76. Mr. Franco wishes us all the best of luck, and we thank him for his time and efforts.

EDWARD ROSA

Our master, Mr. Edward Rosa, has been at the high school since 1975 keeping all of us little devils in line. He's a nice guy, dedicated administrator, and a very busy person. We are in very good hands with Mr. Rosa as our master.

FRANCIS HERLIHY

Mr. Herlihy is the new Junior Master of Chelsea High. Appointed this year, he has shown great talent in tracking down C.H.S.'s mischief makers. We congratulate him on his new position and wish him luck in his sleuthing.

CHAMPIONS

The 1975 edition of the Chelsea High School Cross-Country Team had a tough act to follow. The 1974 team won the school's first G.B.L. Championship in years and all of their 17 meets. With scorers Bobby Goss, Eddie Richard, Tony Rosati, Jerry Dion, and Captain Jack Richard returning, plus the addition of Mike Cefalo, Coach J. Barry Dwyer thought the team had a good shot at repeating as league champs. The team performed up to all expectations, again remaining undefeated while successfully defending it's league title. But they weren't about to rest on their laurels. In the biggest race of their lives, the Chelsea Team came through and finished first in the Massachusetts State Division IV Championship. It was a great victory for the team, the school, and especially for Coach Dwyer, who can look forward to continue success, since another great team is returning for next year.

A Look At The Team

SECOND ROW: Gregg Benson, Orlando Calderon, Jerry Dion, Captain Jack Richard, Mike Cefalo, Bill Paradis. THIRD ROW: Blair, Coach Dwyer, Jackie Burke Ray Sentner, Bruce Ciarmela, Paul Rosati, Eddie Richard, Tony Rosati, Bobby Goss, Richie Bradley, Wozniak, and Manager Jackie Chapnik.

Victory!!!

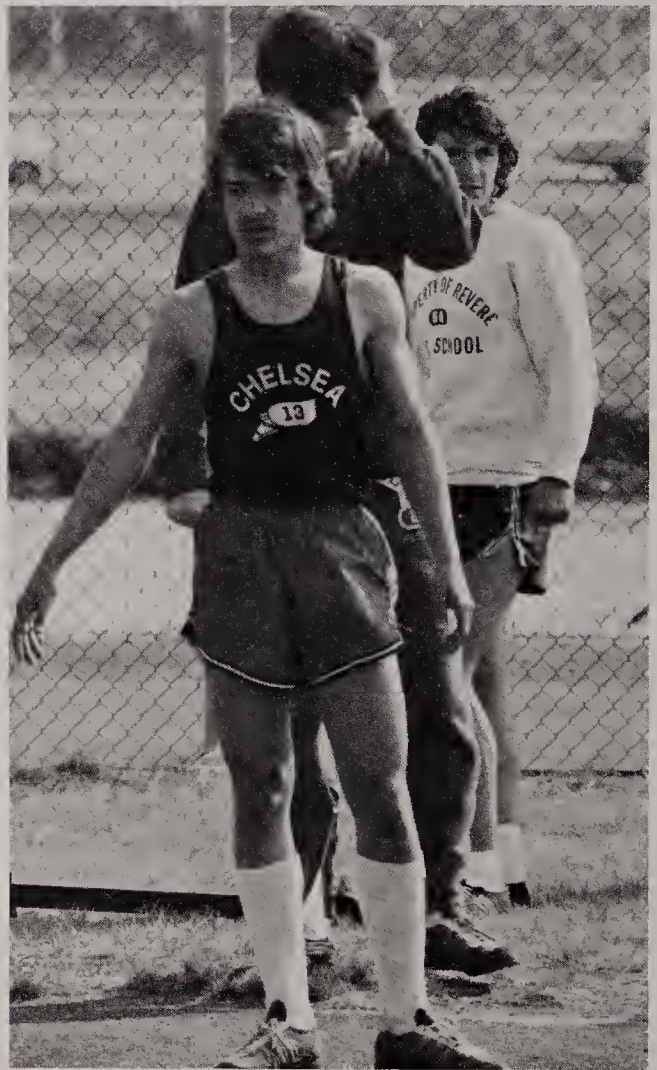

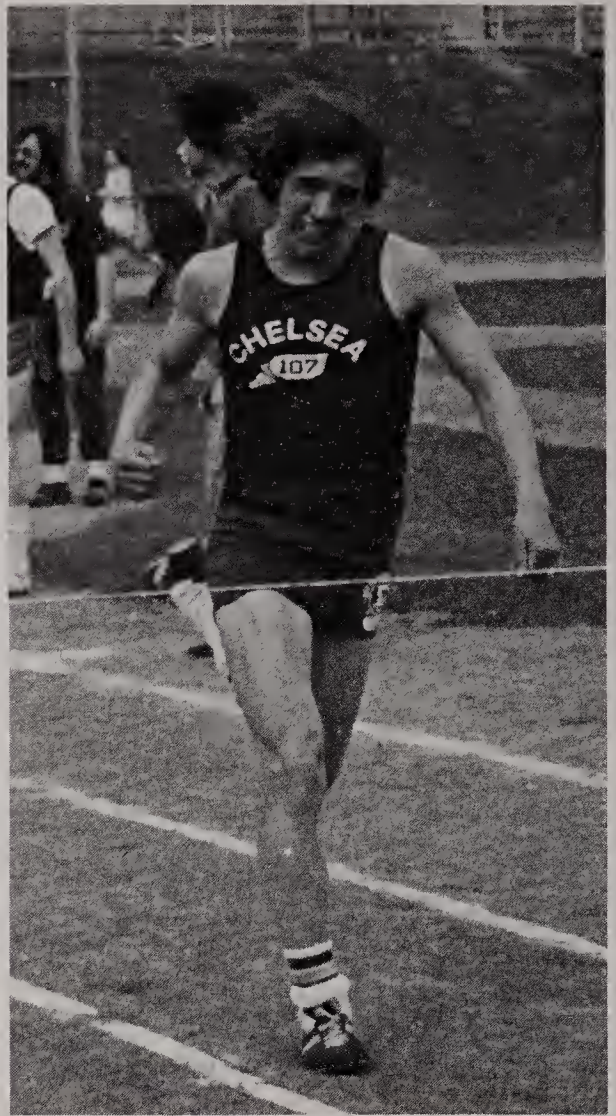

Track is man's oldest and most natural form of sport. No special strategies or expensive equipment is needed, for it is a basic one to one competition. And after all, that is what sport is all about.

The greatly improved 1975 edition of the CHS outdoor track team compiled a fine .500 record of 4-4 in the tough Greater Boston League, with victories over Sommerville, Arlington, Medford and arch-rival Everett. These successes can be attributed not only to team members themselves, who ran through practices daily but also to coaches Anthony Bavaro and J. Barry Dwyer, who led the team through their paces. Seniors Scott Cole, Carlos Diaz, Ralph Eaves, Mike Cefalo and Jack Richard will cherish good memories and will leave a team which is sure to be a strong contender for many years to come.

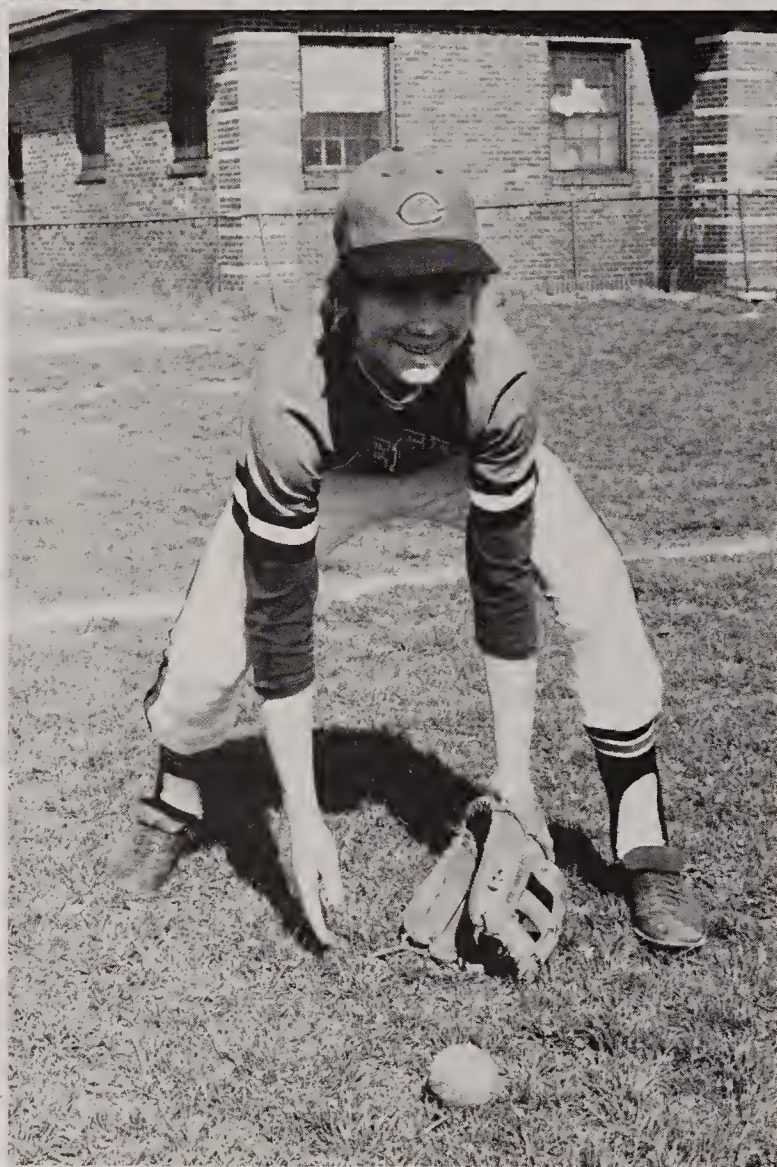

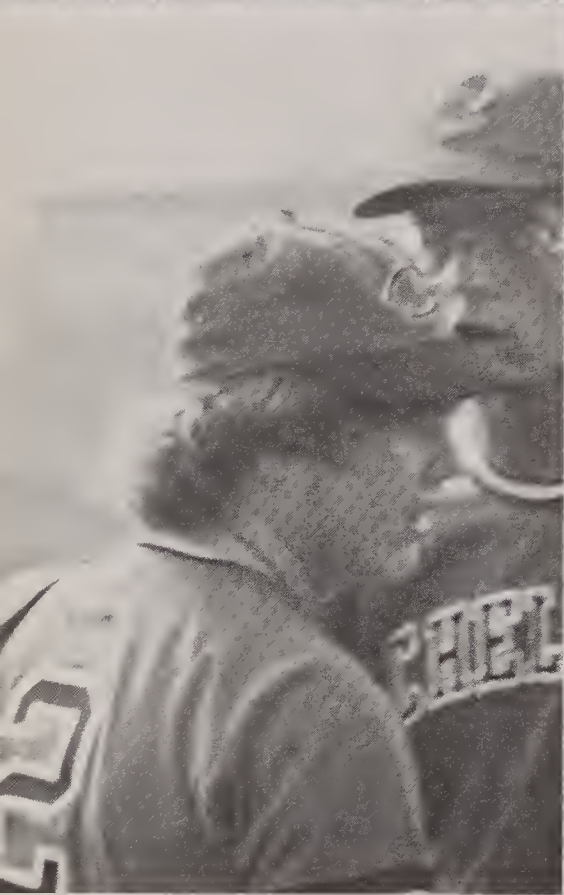

STATE AND CHAMPIONS

1975 was the year of the "Impossible Dream" for the Chelsea High Baseball Team. Although picked by the oddsmakers to finish as also rans, Coach Bevere and the team had other ideas; they had their new spirit of confidence, or "The Big C" as they called it. Time after time the underdogs from Chelsea upset heavily favored opponents, and the crowds at Merit Park swelled as "The Big C" grew. By season's end, hundreds of screaming fans watched in amazement as

Chelsea won the G.B.L. Championship, and then still more fans traveled to Waltham to witness Chelsea sports history as "the Big C" came through again and, almost unbelievably, Chelsea High was the Eastern Massachusetts State Champs! Everyone who saw those games will remember them as being one of the highlights of our years at C.H.S.

CHELSEA

The 1976 Cheksea High Basketball Team was one of the most promising in years. Most of the starting line-up from the 1975 team was returning, and there was the addition of about five new first-line players. The team was competitive in every game, and most were decided in the final quarter. The great improvement in the team was obvious, and each home game was played before a packed house. If this same improvements are continued, it won't be long before Chelsea is a force to be reckoned with in G. B. L. Basketball.

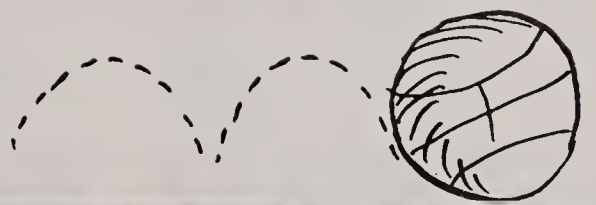

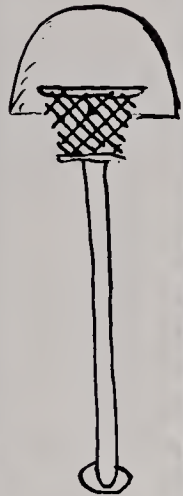

The Chelsea High girls basketball team did not produce a victory this season, but the team was certainly not lacking in talent. Led by our outstanding senior athletes, the girls provided the fans with an exciting brand of basketball.

Captain Barbara Cameron had an excellent season on offense and defense. Carol Roche was the team's leading rebounder. Debbie Washington proved explosive on offense, scoring nineteen points versus Somerville. Guard Cheryl Thompson showed poise and remarkable dribbling talent, while Viola Benton demonstrated quickly and fine shooting ability. Consistent Anne Marie Casucci rounds out the multi-talented group of senior girls.

Coach Pike can be proud of the girls basketball team. They had spirit, determination, and most important of all, a good attitude. These qualities are the keys to success in sports.

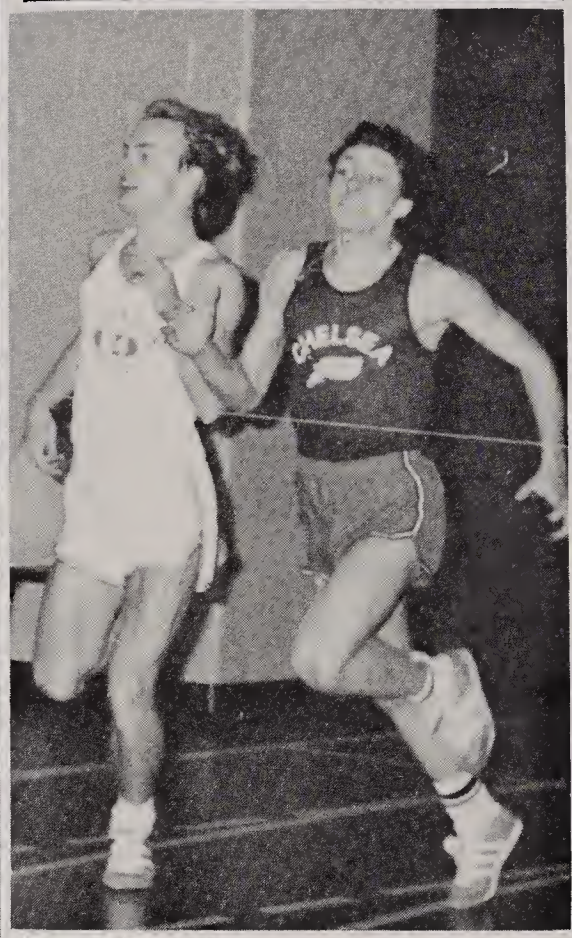

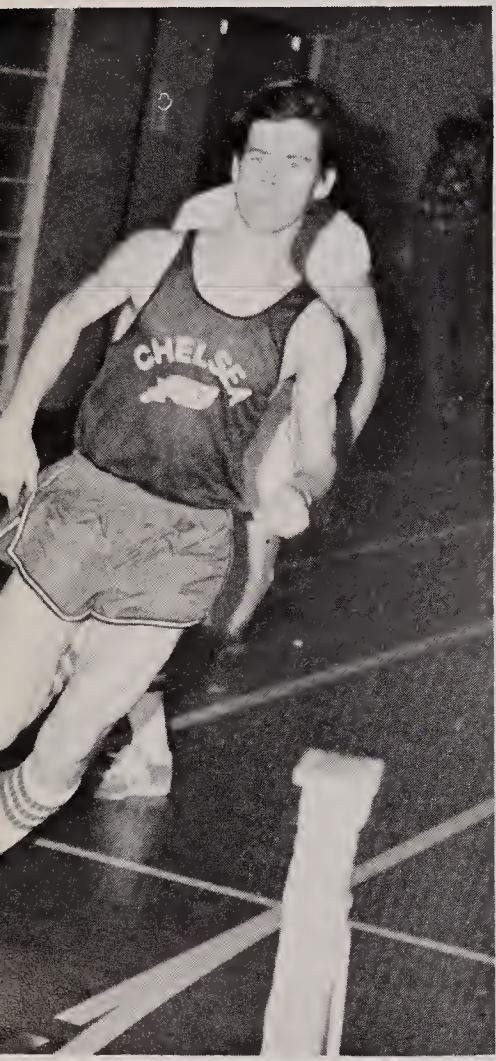

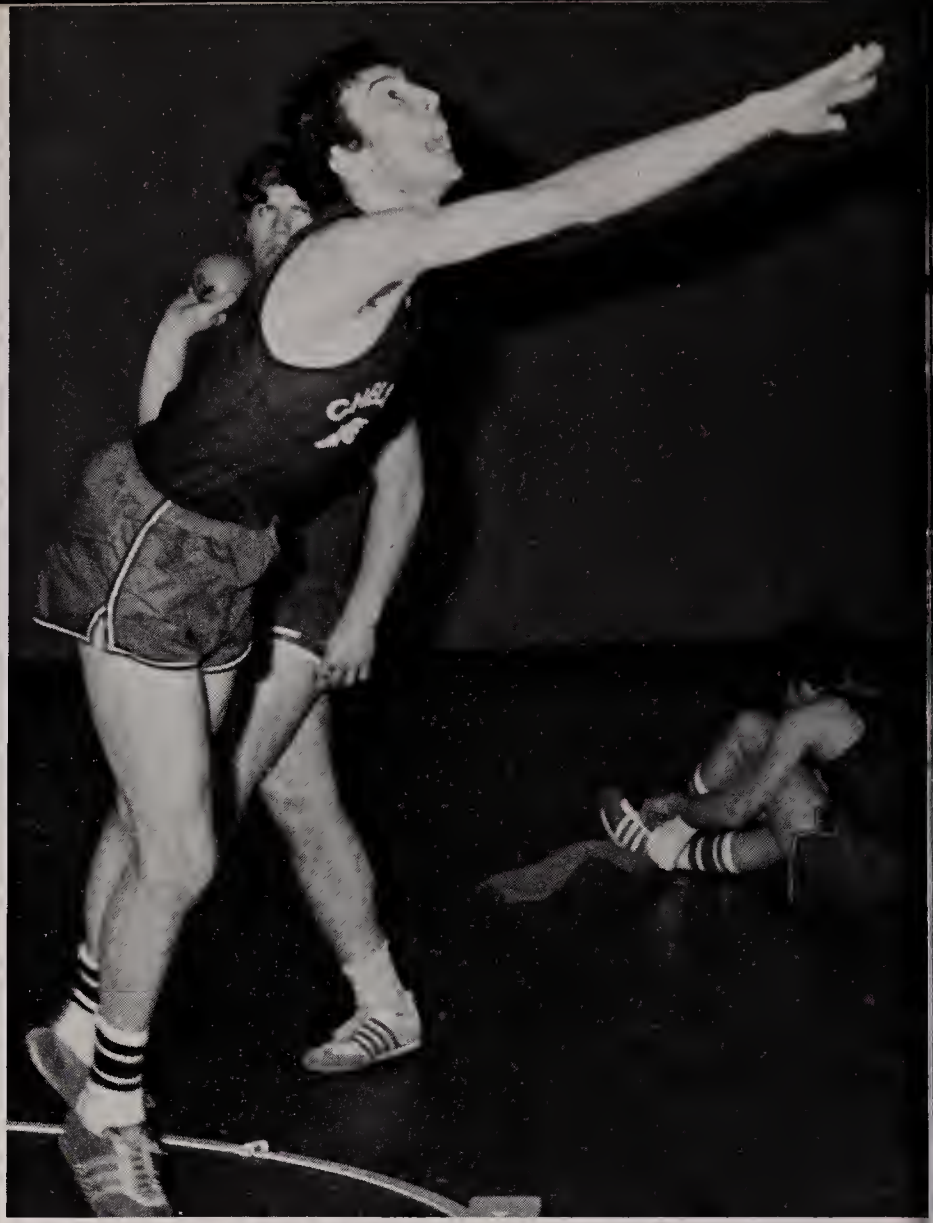

Chelsea High doesn't have a new field house to practice in, and often enters a meet outnumbered by the opposition by as many as 40 runners. But new field houses and numbers don't make good indoor track teams; spirit and determination do. And, in 1975-76, Chelsea was not short on either of these. This years team earned a 7-4 record, which marked the 4th consecutive year over .500, a feat few teams from any school can claim.

GO!

The 1975-76 Chelsea High Hockey team turned what was to be expected to be a mediocre season into a pleasant surprise. Although Chelsea entered most games as the underdog, and was plagued throughout the season by key injuries, their 10-5-5 record was the best in Chelsea history. In fact, they missed qualifying for the state tourney by the barest of margins--one goal. All scholastic goaltender, Jay Palladino, led Chelsea's defense to the lowest goals against average in the G.B.L. This success led to the naming Coach Yanetti as Eastern Mass. All Scholastic Coach. If the past year's progress can be continued, Chelsea's hockey future is indeed a bright one.

Pie-(centennial) Throwing Contest

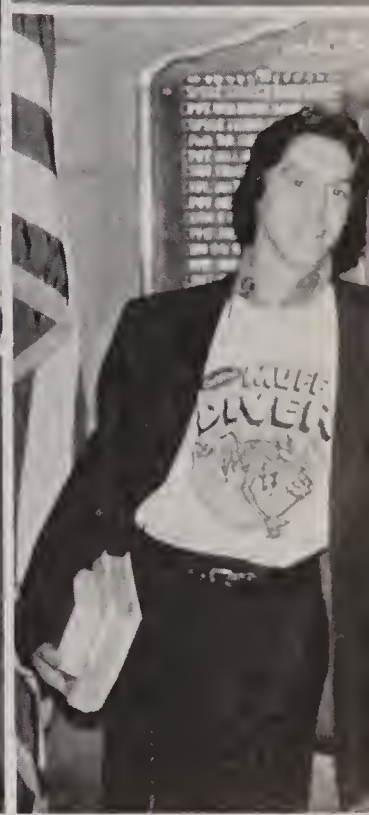

What's more fun than a pie-throwing Contest? Creaming your favorite teacher! Junior class officers and home-room representatives of 1974-75 had their cake (and ate it too!) when they whipped up this delicious recipe for fund-raising.

The main ingredients of the Pie-centennial were no less than the Cream of the Crop of CHS faculty. Who could resist such faces as Mike Stein, Ed Rosa, Mike Sullivan, Joe Mauro, Joe Yannetti and Richard Finneran? Such were the targets of the Table Talk Pies donated free-of-charge. They stepped up behind the decorative bill boards made by Jack Richards as a cautionary measure of avoiding high cleaning bills.

Who can remember a more delectable event? It was a classic Fun-day with whipped cream and a cherry on top!

THE BATTLE OF CHELSEA CREEK

BY: Merle
Zamansky

In 1775 a Battle was fought on the islands of Noddle and Hog.

The Battle was won by the colonists, leaving the British up in a fog.

The fight was recreated by the students of Chelsea High.

They filmed and acted and edited it, they gave a meaningful try.

The success was unsurpassable.

The movies superb I've been told. The actors were irreplaceable. The credit to those who are seniors must go to:

CURRICULUM CHANGES

All systems . . . Red Alert!

CHS is currently under attack by an alien from out of this world. He has invaded us from planet "Kricula" and is thriving on our chaos and state of mass confusion.

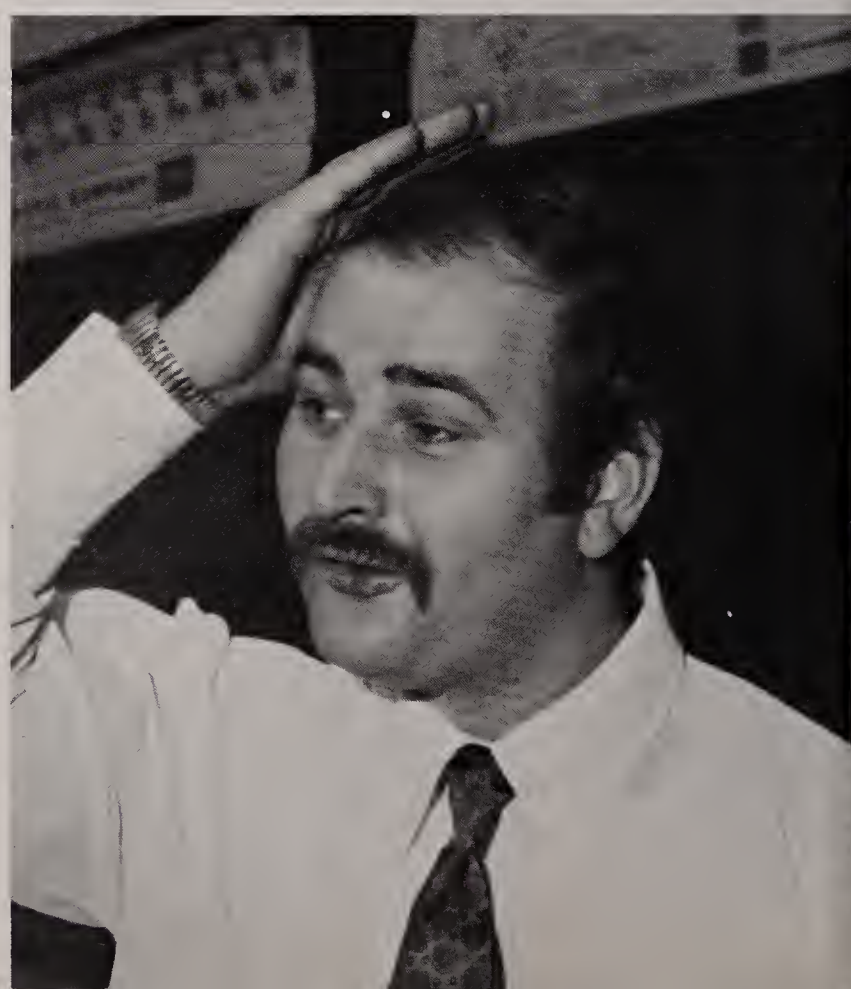

Our atmosphere, in fact, seems to have bred an offspring of this Kriculan and matters have gotten worse.

A reward is being offered by the administration for possibilities of destruction of these creatures. However, it does look like CHS will be under this siege for a while longer.
